

# VAGAMON

## GEODESIC DOME

In the scenic state of Kerala, a land of spices and kind hearts, lies Vagamon, the Scotland of Asia, flaunting its mist-covered mountains offering you a unique vacation experience. Nestled away deep inside thirteen acres of lush green cardamom plantation of Elappara is Kerala's first experimental geodesic dome stays. The resort also features a live restaurant which makes it a perfect choice for a peaceful getaway because good food with a good view is something you don't want to skip.
